

What do you thirst for most in life? Some want recognition, others acceptance, love, and more. Underlying all our desires is a deeper thirst: a thirst for God. It is what motivated the fishermen on the Sea of Galilee, the woman at the well, and others in the Gospel of John to set aside what they knew and follow Jesus when he came to them. Jesus is seeking us out too, beckoning us to come and see and follow Him as disciples, but more so as his friends. In this new Ascension Press Bible Study, journey through the Gospel of John and encounter anew the love of God in Jesus. Experience the joy of a closer relationship with Christ, and see how God—and only God—can satisfy the deepest desires of your heart.

Participants receive a workbook and meet each week to view an engaging video presentation by Dr. Edward Sri, followed by a lively group discussion and fellowship. Dr. Sri will explain how Christ's encounters in the Gospel show how he lovingly and persistently calls each of us to a more intimate relationship with him.
