

## MOVING FORWARD: PARISH STEWARDSHIP RENEWAL SAINT PETER PARISH PSI E-GIVING INSTRUCTIONS

---

St. Peter Parish uses the ***Parish Support Initiative (PSI)*** to provide the opportunity to use Credit Cards and Electronic Funds Transfer as an alternative method for giving to the weekend collection. The ***Parish Support Initiative (PSI)*** is being offered to you free of charge.

### There are two benefits:

- 1) Our Parish benefits from a reliable, uninterrupted stream of contributions
- 2) You will benefit from a more efficient and convenient means of making your contributions in support of our parish's mission.

### With Parish Support Initiative (PSI) you can:

- Set up recurring contributions to the collection
- Use a debit/credit card or bank transfer
- Make one-time contributions to special collections
- Select your billing date (the 1<sup>st</sup> or 15<sup>th</sup>) for recurring donations

### To begin using Parish Support Initiative (PSI):

Step 1: Parishioners can visit [thecfgp.org/stpeterpsi](http://thecfgp.org/stpeterpsi) to make a direct donation to St. Peter or scan the QR code in the bulletin.

Step 2: Select donation amount and leave a comment if desired. You can also choose to make the gift recurring.

Step 3: Fill out billing address information with an option to make a gift on behalf of an organization or make a gift anonymously.

Step 4: Fill out payment information details, then select "Donate".

Step 5: If you have used paper envelopes and still desire to use them, mark on your envelope that you have given electronically and bring them to church. Sometimes, especially for children, it is good to have something tangible to put in the plate.

***Thank you for considering supporting the collection for St. Peter Parish through Parish Giving.***
