

SAINT PETER CATHOLIC CHURCH
2835 Manor Road
West Brandywine, PA 19320

www.saintpeterchurch.net

Please be advised, when the National Weather Service issues a Winter Weather Advisory for our region, it is not advisable to come onsite to the Saint Peter Church parking lot or facilities.

Because storms can be expected to make public roads and parking lots and walkways unsafe, immediately before, during or immediately after a storm, the assumption is that cancellations at Saint Peter Parish will be communicated through our regular communication channels (website, e-mail blast, social media).

Clean-up of the sidewalks and parking lot cannot be assured until 12 hours after a public Weather Advisory ends, so folks are asked not to come to the parish site until 12 hours after the expiration of a government weather advisory.

Thank you for your cooperation and understanding.
